Hi Rick - here is the final ER with the change you requested on page 33 to delete the "50%" rate wording. Rather than repeat each Zone assessment rate in the text, I simply refer to the rates listed in the Table right below that sentence. Hope this works. I also re-dated the ER today (April 27, 2017) and took out "draft" and "v 3" on the cover page since these shouldn't be needed as you move forward on processing this BID renewal.

Thanks Rick.
